**100% Wool Saddle Pads**

**\$ 250**

---

**Description**

This pad is custom made by The Curley Ewe. We make our pads from the Sheep we raise, clean the Wool and dye it if wanted then take it to our local Mill who does a wonderful job making the material. We have an Amish man that does our sewing and leather for us. We use only quality real leather trim. We can do 1/2 inch to an 1 inch, many colors to choose from and any size you want! Prices start at \$250-\$300. Below are pics of saddle pads we've made for clients so you can see how beautiful our pads are!! Please contact us for info!
