Description

SILVERADO BLUE SKYE is a 15.1 hand Smokey silver black mare. Skye is the Daughter of a wonderful mare Miss Calli that's a Maples Squirrel daughter! She is a 17 years old but only went under saddle when her owner bought her back a few years ago. She had some riding as a 3 yo then got put on the back burner so in 2021 her owner got her certified to breed. She had her first gorgeous filly in 2023 and was brought back under saddle this spring. She is a very naturally gaited mare! Sensitive to leg and seat cues and rides out alone without a problem and nicely forward. Only reason she is for sale is that her owner is retiring from breeding. Skye had no vices, current on all healthcare and barefoot. Her owner uses boots on her fronts in rocky terrain. This mare is sweet and beautiful and she is only available to a good home. Watch her video to see how smooth Gaited Skye is! Located in Pilot Hill, CA
