**\$ 4,500**

## Description

This pretty girl is super nice and smart!! Cloud is 4 yrs old and is well put together at 15 hands!! This sweet girl has had 4 months of training and has done phenomenal!! No bucks, no rears and has a super smooth gait!! Cloud is traffic safe, dog safe, used to kids and isn't an overreactor. This pretty grey girl has already been trail riding and has had no problem with anything on the trails!! She's great with other horses or out alone, she crosses logs, mud puddles and water!! Cloud will stand to be mounted and walks on a loose rein!! Cloud will stand quietly tied, for the farrier, to be groomed and to be saddled!! This awesome girl is going to make someone a nice trail partner!! Cloud does have a crack in her front left hoof. Owner has shoes on her and says it's not compromised her hoof wall. Once this grows out you won't ever know she had this crack plus she has never favored it so it's not causes her any pain at all. Take a look at Cloud's video and see for yourself just how nice she is!!! Located in Owingsville, KY
