Description

Ozzy is a beautiful 14.2 hand 5 yr old Rocky Mountain gelding. He has all the dark Grulla markings, dorsal stripe, webbing on his forehead, barring across the withers and legs! This gorgeous gelding has tons of trail miles and is an amazing trail partner! He doesn't overreact, he crosses logs, water and is great in all types of terrain! Ozzy is fine in a group or out alone!! He will stand to be mounted and walks off on a loose rein and when asked has a beautiful smooth 4 beat gait!! Ozzy gets along great with the other horses! This gorgeous gelding is super sweet, loves being groomed, will stand quietly tied, for the farrier and for saddling!! Ozzy is going to make some lucky person an amazing trail partner!! He's best suited for an Intermediate rider only because he's still learner and very supple. The only reason he's available is that his owners purchased him when he was 3 yrs old and hoped he would get taller. He's safe & sound, has great feet (barefoot), up to date on his vaccines, worming, feet, coggins and health certificate! Just take a look at this boys video and see for yourself just how amazing he really is!!! Located in Ignacio, CO.
